

What is Z4F for partners?

Z4F means 'Zinzino-For-Free'

Your Advantage:

- A monthly product* of your choice + a free Balancetest every 4 months + access to the 'GoCore' app. An app where all motivated Zinzino partners learn from some of the world's top network marketing leaders.
- The Z4F is a requirement to get the UPK refunded*
- and, to receive the extra cash bonuses of the Fast Start programme
- and to benefit when you have the first test returned to you in the Customer Premier Programme.

How to set up the Z4F?

- Log in to your back office (ID number and password you received from Zinzino with your registration)
- Click on 'Autoorder' on the left
- Do you now see a product in your Autoorder Z4F info? If 'NO', click on the purple button on the right and select a product of your choice. Subscribe and follow the process.

This way you will receive the Z4F free of charge:

- Your auto-order has a value of 10 credits.
- In the first 120 days (your fast-start phase): Have 4-5 Premier customers. The orders should have a total of 20 credits at the end of the month.
- After 120 days (from the 5th month): Have 4-10+ Premier customers. At the end of the month, the orders should have a total of 40 credits.
- Your monthly Z4F AutoOrder is free and you only pay for shipping.

Things to know about the GOCore app - for personal and professional development.

We HIGHLY recommend using the app regularly
